

# The Business Round Table

Redefining business as usual.

We are dedicated to those who we serve in meeting their needs; we must produce quality services and create a quality environment. Our objective is to serve our customers as they want to be served creating long-term relationships with our client base.

Our employees are respected as individuals and are compensated in a fair and adequate manner recognizing their merit and respecting their dignity. We must provide competent management, and their actions must be just and ethical providing an atmosphere that supports growth and unity.

We must embrace Business Core Values that will propagate growth and provide positive influence of our companies and organizations

**Accountability** – Responsibility of our actions that influence the lives of our customers and fellow workers

**Balance** – Maintaining Healthy life and work balance

**Commitment** – Commitment to roll great product, service and other initiatives that impact lives both within and outside the organization

**Empowerment** – Empowering the employees to take initiative and give the best to come out with new creative ideas that have the potential to change the world

**Integrity** – To act with honesty and integrity without compromising the truth

**Leadership** – The courage to lead from front and shape future

**Ownership** – Taking ownership of the company and customer success

**Passion** – Putting the heart and mind in the work to get the best

**Quality** – Giving the best and unmatched results for all around satisfaction

**Respect** – Giving due respect to self and others and maintain the environment of teamwork and growth

**Risk Taking** – Encouraging self and others to take risk for a bright future

**Service Excellence** – Giving the best and world class service and achieving excellence each passing day

Our final responsibility is to our shareholders and stakeholders. Business must make a sound profit. Research and Development is our future guaranteeing the investment of those who believe in our companies and organizations. Reserves must be created to provide for adverse times as well as future opportunities. Our shareholders should realize a reasonable return when we operate according to these principles.

## *The Pledge of Allegiance*

*I pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all.*

### **Benediction (closing)**

#### **Serenity Prayer**

God grant me the serenity  
to accept the things I cannot change;  
courage to change the things I can;  
and wisdom to know the difference.

**(Although known most widely in its abbreviated form above,  
the entire prayer reads as follows)**

Living one day at a time;  
Enjoying one moment at a time;  
Accepting hardships as the pathway to peace;  
Taking, as He did, this sinful world  
as it is, not as I would have it;  
Trusting that He will make all things right  
if I surrender to His Will;  
That I may be reasonably happy in this life  
and supremely happy with Him  
Forever in the next. Amen.

#### **Aaronic Blessing**

The LORD bless thee, and keep thee:  
The LORD make his face shine upon thee, and be gracious unto thee:  
The LORD lift up his countenance upon thee, and give thee peace.
