

Leadership Breakfast

Friday, May 17, 2024
Kalamazoo Country Club
8:00-9:30 am

OUR SPEAKER

Dr. Brian Long

Economist, Director of Supply Chain Management, GVSU

Dr. Long is the Director of Supply Management Research at Grand Valley State University. For over 44 years, he has edited a survey of local purchasing managers for West Michigan, which has proved to be a major economic indicator of current and future business conditions. This survey is part of the input for the Federal Reserve's bi-monthly survey of business conditions.
