

Annual Report 2023

Dear CBRT Community,

CBRT continues to support business leaders living their faith at work through our events programming throughout Michigan. During these uncertain times, we are blessed to see seekers being drawn to the **eternal solution** shared at our events, thanks to the investment of donors like you.

A few of our significant accomplishments for 2023:

- Record Round Table attendance—830 participants!
- Our best fundraising year since CBRT's inception!
- Executed our 1st Annual Appreciation Event - please save the date for November 22, 2024.

Our Chairman Jeffrey L. Brittan has identified specific growth goals for 2024. Our tasks include reaching more CEOs as well as more young leaders. CBRT is committed to connecting with the next generation of emerging leaders, intent on helping them build relationships with faith and business mentors and sharing the **ultimate solution** of Jesus Christ.

If you've been positively impacted by CBRT, please consider coming alongside us with a financial investment. Your donation amplifies Christ's influence within the business community. Please send your donation today!

Blessings,

Executive Director
